GENERAL:

Electrical work shall not be started until the application for permit has been filed with the Village of Franklin Building Department. All installations shall be in conformance with the State Electrical Code. No work shall be concealed until it has been inspected.

The telephone number to arrange for inspections is provided on the permit form. When ready, call the Building Department with a minimum 24 hours notice of the inspection required as well as the job location (address) and permit number.

EXPIRATION OF PERMIT:

A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after the issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work.

A permit will be cancelled when no inspections are conducted within six months of the date of issuance or the date of a previous inspection.

CANCELLED PERMITS CANNOT BE REFUNDED OR REINSTATED.
