1. The Village of Franklin Ordinances Section 1268.13 (b) states that an accessory building shall be located in the rear yard except when structurally attached to the main building. The existing building is not in the rear yard, therefore is a non-conforming structure.
2. The Village of Franklin Ordinances Section 1264.04 (a) Expansion of Structure states that no such structure may be enlarged or altered in any way, which increases its nonconformity. Since this entire structure is nonconforming, any increase would be in violation of this section
