Section 22. Inspectors and clerks of election shall be appointed by the Village Council and shall receive such compensation as shall be fixed by the Council.

Section 23. The Village Council shall have power, and it shall be its duty, to remove any inspector or clerk of election if in its judgment such inspector or clerk should be removed for the proper and efficient conduct of the election; to fill any vacancy in the office of inspector or clerk of election; and in general to perform such acts as election commissions in villages are authorized to perform.

Section 24. If at any election of Municipal officers there shall be no choice between candidates by reason of two (2) or more candidates having received an equal number of votes, then the same shall be determined by a run-off election. In no case, however, shall the election of any person be determined by a run-off election without there first being a recount of the votes cast at such election, if one (1) of the persons receiving such tie vote demands such a recount. (Amended 3-13-95)

Section 25. No informalities in conducting a Municipal election shall invalidate the same if such election shall be conducted in substantial conformity with the requirements of this Charter.

CHAPTER V RECALL

Section 1. Any elective officer of the Village of Franklin may be removed by the qualified electors of the Village in accordance with the general laws of the State providing the recall of village officials.

CHAPTER VI ORDINANCES

Section 1. The enacting clause of all ordinances shall read "The Village of Franklin ordains," but such caption may be omitted when such ordinances are published in book form by authority of the Council. Each proposed ordinance shall be introduced in written or printed form.

Section 2. Except as otherwise provided in this Charter, the Council shall have power by ordinance to amend or repeal any ordinance, in whole or in part. No ordinance shall be amended by reference to its title only, but the section or sections of the ordinance to be amended shall be re-enacted at length. Any ordinance may be repealed by reference only to its number and title.

Section 3. All ordinances shall be recorded in an indexed book marked "Ordinance Book" and the record of each ordinance shall be authenticated by signature of the Village President and Village Clerk. Such record and authentication shall be done promptly after the final passage of the ordinance but failure to so record and authenticate any ordinance shall not invalidate it or suspend its operation. Before any ordinance shall become operative a synopsis of such ordinance shall, within fifteen (15) days after passage, be published in a qualified newspaper circulated in the Village, and copies of the ordinance shall, at the same time, be posted in two (2) of the most public places in the Village; the Village Clerk shall, immediately after such publication and posting, and within fifteen (15) days after passage, enter in the record of ordinances, in a blank space to be left for such purpose under the record of ordinance, a certificate under his or her hand, stating the time and places of such publication and posting. Such certificate shall be prima facie evidence of the due publication and posting of the ordinance.

(Amended 3-12-79; 3-13-95)

Section 4. Every ordinance shall become effective upon its publication unless a later effective date is provided therein.

Section 5. The Village Council shall have authority to provide in any ordinance for the punishment of those who violate the same, by a fine not exceeding five hundred dollars (\$500.00) or imprisonment for a period not exceeding ninety (90) days, or both, in the discretion of the court. Such imprisonment may be in the Village prison, if any, in the Oakland County Jail, or in any penal institution in the State authorized by law to receive prisoners from the Village.

No ordinance imposing a penalty shall take effect less than twenty (20) days after passage of the same.

(Amended 3-14-88; 3-11-02)

Section 6. Prosecution for any violation of any ordinance of the Village shall be commenced within two (2) years after the commission of the offense, provided that the limitation herein imposed shall not be construed as a limitation on the Village's right to forfeit any franchise, grant or license for violation of the terms and conditions thereof after said two (2) year period.

Section 7. In all judicial proceedings, it shall be sufficient to plead any ordinance by title and the number of the applicable section or sections, and it shall not be necessary to set forth the entire ordinance or section in any pleadings.

Section 8. Judicial notice shall be taken of the enactment, existence, provisions, and continuing force of all ordinances of the Village.

Franklin, MI Code of Ordinances

Section 9. Whenever it shall be necessary to prove any ordinance in any judicial proceedings, the same may be proved by a record thereof kept by the Village Clerk, by a copy thereof duly certified as a true copy by the Clerk, under the seal of the Village or from any volume purporting to have been published, printed, and compiled by authority of the Village Council.

CHAPTER VII INITIATIVE AND REFERENDUM

Section 1. Any ordinance which may legally be adopted by the Council of the Village of Franklin may be proposed by petition signed by a number of registered electors of the Village of Franklin equal in number to at least ten (10) per cent of the number of registered electors in the Village as certified by the Village Clerk. Such petition shall be addressed to the Council and shall set forth at length the ordinance proposed to be enacted. With each signature attached thereto, there shall be given the street and house number of the residence of the elector so signing, and the date when such signature was attached. The petition may be signed on separate identical forms, but all signed counterparts of the petition shall be filed with the Village Clerk at one (1) and the same time. An affidavit made by a registered elector of the Village shall be attached to each signed counterpart of the petition, which shall state that each signature appearing on the counterpart is the genuine signature of the person of whom it purports to be, and that to the best of affiant's knowledge and belief, the signers whose names are attached thereto are registered electors of the Village of Franklin.

Section 2. Said petition, when signed by the requisite number of registered electors, shall be filed with the Village Clerk. Such Clerk shall attach thereto a certificate, setting forth the name and address of the person or persons filing the said petition in his or her office and the date when said petition was filed. A copy of said petition, exclusive of signature, and of said certificate shall be entered in a record book to be kept for that purpose in the office of the Village Clerk.

Section 3. Within fifteen (15) days from the date of the filing of said petition with the Village Clerk, it shall be the duty of such Clerk to ascertain by comparison of said petition with the registration records of the Village of Franklin, whether or not such petition is signed by the requisite number of registered electors, and following such examination, the Clerk shall attach to said petition his or her certificate showing the result of such examination.

Section 4. If the certificate of the Village Clerk so attached shows the petition to be insufficient, he or she shall within ten (10) days cause notice in writing, setting forth the fact that such petition is found to be insufficient to be served upon at least one (1) of the persons designated in the certificate attached by him or her to said petition as the persons who filed said petition in his or her office. Depositing the said notice in the United States mail, addressed to such person at the address shown on the certificate provided in Section 2 of this chapter, shall be deemed sufficient service. Additional signatures to said petition, properly verified as hereinbefore provided, may be filed with the Village Clerk at any time within twenty (20) days from the date of the service of such notice. The Village Clerk shall attach his or her certificate to such additional typed counterparts of the petition showing the date when the same were filed, and shall cause said certificate to be entered in the record book along with the original record of the petition and certificate. The Village Clerk shall, within five (5) days after filing of such additional signatures, certify to the sufficiency or insufficiency of the additional signatures. If the number of signatures is still shown to be insufficient, or if no additional signatures are so filed, such petition shall be deemed to be of no effect. A new petition for the same purpose, however, may be later filed.

Section 5. When the petition shall be found by the Village Clerk to be sufficient, he or she shall so certify to the Council at its next regular meeting.

Section 6. If such petition shall be signed by the required number of registered electors of the Village, the Council shall, within twenty (20) days after the meeting at which such petition is submitted to it, either:

(1) Pass said ordinance without alteration subject to the referendum provided by this Charter, or

(2) Reject said ordinance and submit the same without alteration to vote of the qualified electors of the Village at the next regular or special election occurring not less than fifty (50) days from the date of such rejection by the Council; provided, however, that the Council may, by a five-sixths (5/6) vote of the Trustees, call a special election for the purpose of submitting such ordinance, the same to be held not less than fifty (50) days after the rejection of such ordinance by the Council.

Section 7. Within thirty (30) days after the publication of any ordinance duly passed by the Council, a petition may be presented to the Council by filing the same with the Village Clerk, protesting against such ordinance continuing in effect. Said petition shall contain the text of such ordinance and shall be signed by registered electors of the Village equal in number to at least ten (10) per cent of the number of registered electors in the Village as certified by the Village Clerk. Said ordinance shall thereupon and thereby be suspended from operation unless the Council shall, by unanimous vote of those present at its first meeting after the filing of said petition, declare that such ordinance is necessary for the immediate preservation of the public health, peace or safety. The Council shall immediately reconsider such ordinance and if the same be not repealed, the Council shall submit the question of its approval or disapproval to a vote of the electors of the Village at the next regular or special election occurring in not less than fifty (50) days; provided, that the Council, by a five-sixths (5/6) vote of its members elect, may call a special election for the purpose of submitting such question, such election to be held in not less than fifty (50) days from the calling thereof. If a majority of the electors voting thereon at such election vote in favor thereof, said ordinance shall be deemed to have been approved and shall be in full force and effect; otherwise it shall be null and void. The procedure in regard to such petition of protest and referendum shall be the same as provided in this chapter for the initiative and referendum on a proposed ordinance with such modification as the nature of the case may require.

Section 8. The Council may, of its own motion, submit to a referendum for adoption or rejection at any regular or special election held in said Village for any proposed ordinance, in the same manner and with the same force and effect as provided in this chapter for submission on petition. No such ordinance shall be submitted, however, at any election to be held less than fifty (50) days from the date of the meeting of the Council at which such ordinance is ordered submitted.

Section 9. If the provisions of two (2) or more proposed ordinances adopted or approved at the same election are inconsistent, then the ordinance receiving the highest affirmative vote shall prevail.

Section 10. Whenever any ordinance is submitted to the voters of the Village at any election, the Council shall cause such ordinance to be published by inserting the same in full at least once in a newspaper of general circulation in the Village or published by posting the same in ten (10) conspicuous places in the Village, such publication to be made not less than ten (10) days before the election.

Section 11. The ballot or ballot labels used when voting upon such ordinance shall be provided in accordance with law, and shall state the nature of the ordinance in terms sufficient to

Franklin, MI Code of Ordinances

identify it. If a majority of the qualified electors voting on the proposed ordinance shall vote in favor thereof, the same shall thereupon become an ordinance of the Village.

Section 12. An ordinance adopted by the electors through initiatory proceedings may not be amended or repealed by the Council for one (1) year after the date of the election at which it was adopted. An ordinance repealed by the electors may not be re-enacted by the Council for one (1) year after the date of the election at which it was repealed.

Section 13. In computing the number of signers to any petition provided for in this chapter, no signature shall be counted which was affixed thereto more than sixty (60) days prior to the filing of such petition with the Village Clerk.

CHAPTER VIII CONTRACTS

Section 1. No contract shall be entered into by the Village for the making of any public improvement or for the purchase of any materials, tools, apparatus, supplies or services, exclusive of professional services, which professional services include but are not limited to Village Attorney, Village Engineer, Village Planner, Village Accountant and Village Auditor, the consideration or cost of which shall exceed ten thousand dollars (\$10,000), until specifications shall be prepared therefor, and published advertisement made for sealed proposals thereon; provided, however, that by a vote of two-thirds (2/3) of the members of the Council-elect, such contracts may be made without advertisement. The Village shall have the right to reject any or all such proposals.
(Amended 3-12-79; 3-13-95; 3-11-02)

Section 2. Subject to the provisions of the Charter, the Village may through its departments, officers, and employees perform public work of all kinds or it may let any of such work by contract. The Village shall not, however, undertake the performance of any construction work exceeding an estimated cost of twenty-five thousand dollars (\$25,000), until it has first advertised for sealed proposals therefor.
(Amended 3-12-79; 3-13-95; 3-11-02)

Section 3. No public improvement, costing more than ten thousand dollars (\$10,000), shall be contracted for or commenced until drawings, profiles, and estimates for same shall have been submitted to the Council and approved by it; and the same or a copy thereof shall thereafter remain on file in the office of the Village Clerk subject to inspection of the public.
(Amended 3-12-79; 3-13-95; 3-11-02)

Section 4. No member of the Council shall vote for the authorization of any contract with or for the Village, or for the expenditure of any money on the part of the Village, if he or she shall be financially interested in the proceeds of such contract or in the money so expended.

Section 2. The Village Treasurer shall be the general accountant of the Village and shall keep a complete set of accounts showing the financial transactions of the Village, which accounts shall conform to the uniform system required by law. The Village Treasurer shall receive and disburse all moneys belonging to the Village and shall keep an accurate detailed account of all money received and disbursed by him or her and of the particular fund into which or from which said money is paid. He or she shall pay out no money except upon warrant issued as in this Charter provided. He or she shall, at least once every three (3) months and oftener if required, furnish the Council with a statement showing all cash on hand and in the bank at the beginning of the preceding period, the receipts and disbursements for the preceding period, the cash and bank balances at the end of the preceding period, and the condition of the several funds of the Village. He or she shall make such other reports as the Council may require.

Section 3. No money shall be drawn from the Treasury except upon the warrant of the Village Clerk countersigned by the Village President. Every warrant shall specify the fund from which it is payable and shall be paid from no other fund. No warrant shall be drawn upon the Treasury after the fund from which it should be paid has been exhausted, and if any such warrant shall be drawn it shall be void. No warrants shall be issued until the same have first been authorized by the Council; provided, however, that the warrants may be issued for the payment of labor and current expenses with the prior authorization of the Council, if authorized by the President, but the total amount of such warrants issued between any successive regular meetings of the Council shall not exceed such an amount as the Council shall from time to time establish. All liquidated accounts and demands against the Village shall be received and audited by the Village Treasurer who shall enumerate them on a regular form prescribed by the Council. The Treasurer shall certify to the Council as to the correctness or incorrectness of the various amounts on such list. The Council shall authorize the issuance of warrants on the Treasury for the payment of such items as shall be approved by it.

Section 4. All taxes accruing to the Village shall be collected by the Village Treasurer. All moneys received by any officer or employee of the Village for or in connection with the business of the Village, shall be paid promptly into the Village Treasury, and shall be deposited by the Treasurer with such responsible banking institutions as may be designated by the Council and furnish such security as the Council may determine, and all interest on such deposits shall accrue to the benefit of the Village. The Council shall provide for the prompt and regular payment and deposit of all Village moneys as required by this section.

Section 5. All fees received by any officer or employee in his or her official capacity shall belong to the Village except as in this Charter otherwise provided and except also where it is otherwise provided in the resolution or ordinance fixing the salary of any officer or employee.

Section 6. The revenues raised by general taxation upon all property in the Village or by loan to be repaid by such tax, shall be divided into such and so many funds as the Council may by ordinance or resolution determine.

Section 7. Within two (2) weeks next preceding any annual Village election, the Council shall make out or have made out a statement in detail of the receipts and expenditures of the corporation during the preceding fiscal year, which statement shall distinctly show the

amount of all taxes raised during the year for all purposes, and the amount raised for each fund; the items and amounts received from all other sources during the year; the several items of all expenditures made during the year and the objects thereof, classifying the same for each purpose separately; and such other information as shall be necessary to a full understanding of the financial concerns of the Village. Said statement shall be signed by the Village President and the Village Clerk and shall be filed in the office of the Village Clerk.

Section 8. On or before the first Monday of May of each year, the Council shall prepare and file a proposed annual budget for the ensuing fiscal year, based upon detailed estimates furnished by the several Village officers according to a classification as nearly uniform as possible. The Council shall also prepare the following information:

(1) A comparative statement, in parallel columns, of the appropriation and expenditures for the current and next preceding fiscal year and the increases and decreases in the appropriation recommended:

(2) An itemized statement of the taxes required and of the estimated revenue of the Village from all other sources, for the ensuing fiscal year, with comparative statements in parallel columns of the taxes and other revenues for the current and next preceding fiscal year, and of the increases and decreases estimated or proposed.

Summaries of such budget shall be published one (1) week in advance of a public hearing which shall be held by the Council before adopting the same.

(Amended 3-12-84)

Section 9. Council shall pass an annual appropriation resolution, which shall be within budgeted revenues. The total amount of appropriation shall not exceed the revenues of the Village as estimated by the Council. No liabilities shall be incurred by an officer or employee of the Village, except in accordance with the provisions of the annual appropriation resolution, or under continuing contracts and loans authorized under the provisions of this Charter. At any meeting after the passage of the appropriation resolution and after at least one (1) week's notice to the members of the Council, the Council may amend such resolution so as to authorize the transfer of unused balances appropriated for one (1) purpose to another purpose, or to appropriate available revenues or a class not included in the annual budget.

(Amended 3-13-95)

Section 10. If for any cause there shall be at the end of any fiscal year a surplus in any current expense fund, such surplus may be transferred to such other fund as the Council may deem advisable.

Section 11. The Council, subject to the applicable provision of law, may authorize the borrowing of money in anticipation of the payment of special assessments made for the purpose of the construction or improvement of highways, streets and alleys within the Village. Such special assessment bonds shall be both an obligation of the special assessment district and a general obligation of the Village. All collections on each special assessment roll, to the extent that the same are pledged for the payment of the principal of, and interest on, bonds issued in anticipation of the payment thereof, shall be set apart in a separate fund for the payment of such principal and interest and shall be used for no other purpose.

(Amended 3-12-62)

Section 12. The Council, subject to the applicable provisions of the law, may borrow money and issue general obligation bonds of the Village to finance the improvement of streets in the Village with the approval by a three-fifths (3/5) vote of the electors of the Village voting upon the question at an annual or special Village election. (Amended 3-9-64; 3-13-95)

CHAPTER X

(Amended 3-11-02)

Section 2. Subject to the provisions of this Charter and the statutes of the State, the Council shall levy such taxes each year as may be necessary to meet the appropriations made (less the estimate of the amount of revenue from other sources) and all sums required by law to be raised on account of the Village debt.

(Amended 3-11-02)

Section 3. The Council shall have the authority, within the limits herein prescribed, to raise annually by taxation such sums of money as may be necessary to defray the expenses and pay the liabilities of the Village and to carry into effect the powers in this Charter granted.

(Amended 3-11-02)

Section 4. The aggregate amount which the Council may raise by a general tax upon the taxable real and personal property in the Village shall not exceed in any one (1) year three dollars and fifty cents (\$3.50) per one thousand dollars (\$1,000) of the assessed value of all real property in the Village, as fixed by the assessment roll of the year in which the tax is levied, except that an additional amount up to one dollar and fifty cents (\$1.50) per one thousand dollars (\$1,000) of assessed value may be raised by a general tax upon the taxable real and personal property of the Village for the exclusive purpose of providing fire protection services.

(Amended 5-6-74; 10-30-89; 3-11-02)

Section 5. The Village Clerk shall certify to the Township Assessor the total amount which the Council determines shall be raised by general tax.

(Amended 3-11-02)

Section 6. After the endorsement of the assessment roll by the Chairman and the Clerk of the Board of Review, and upon receiving the said certificate of the several amounts to be raised, as provided in the preceding section, the Township Assessor shall proceed to assess the amount of the general Village tax according and in proportion to the several valuations set forth in said assessment roll. Said roll shall be known as the "Village tax roll."

(Amended 3-11-02)

Section 7. After extending the taxes as aforesaid, the Township Assessor shall certify under his or her hand said tax roll, and the President of the Village shall annex his or her warrant thereto, directing and requiring the Village Treasurer to collect from the several persons named in said roll the several sums mentioned therein opposite their respective names as a tax or assessment, and authorizing him or her, in case any person named therein shall neglect or refuse to pay such sums, to levy the same by distress and sale of his or her goods and chattels, together with the costs and charges of such distress and sale. Said warrant shall further direct that all taxes paid on or before the thirty-first day of August of the same year, shall be collected without additional charge, and that there shall be added to all taxes paid after each thirty-first day of August, one (1) per cent for each and every month or fraction thereof that the same remains unpaid. The Assessor shall also prepare a true copy of said Village tax roll and the President shall execute a duplicate of said warrant and annex the same thereto, said roll to be known as the "duplicate Village tax roll." Said Village tax roll and annexed warrant, and said duplicate tax roll

and annexed warrant, shall be delivered by the Assessor to the Village Treasurer on or before the first day of July of the year when made. In the event said tax roll shall be lost or destroyed a new roll and warrant may be made. (Amended 3-11-02)

Section 8. Village taxes shall be due on the first day of July of the year when levied and shall be payable as stated in the warrant of the Village President annexed to said roll. After the delivery of the tax roll to the Village Treasurer, said Treasurer shall mail tax statements to the several persons named therein. (Amended 3-11-02)

Section 9. The Village taxes when assessed shall become at once a debt to the Village from the person to whom they are assessed, and the amounts assessed on any interest in real property shall, on the first day of July of the year when assessed, become a lien upon such real property, and the lien for such amounts for all interest and charges shall continue until payment thereof. All personal taxes shall also be a first lien on all personal property of such persons so assessed, from and after the first day of July of the year when assessed, and shall so remain until paid, which said lien shall take precedence over all other claims, encumbrances, and liens upon said personal property whatsoever, whether created by chattel mortgage, execution, levy, judgment or otherwise, and whether arising before or after the assessment of said personal taxes, and no transfer of personal property assessed for taxes thereon shall operate to divest or destroy such lien, except where such personal property is actually sold in the regular course of retail trade.

(Amended 3-11-02)

Section 10. If the Village Treasurer has been unable to collect any of the Village taxes on said roll on real property before the first day of March following the date when said roll was received by him or her, then it shall be his or her duty to return all such unpaid taxes on real property to the County Treasurer in the same manner and with like effect as returns by township treasurers of state and county taxes. Such returns shall include all the additional charges hereinbefore provided, which charges shall in such return be added to the amount assessed in said roll against each description. The taxes thus returned shall be collected in the same manner as other taxes returned to such County Treasurer are collected under the provisions of the general laws of the State, and the same rate of interest and all charges shall be collected thereon, and all taxes upon land so returned as delinquent shall be and remain a lien thereon until paid.

(Amended 3-11-02)

Section 11. It shall be the duty of the Village Treasurer, upon request made by any party, to issue his or her certificate showing all unpaid taxes, and other charges which are a lien upon any specified property, and which are payable at his or her office, and he or she may, upon being authorized by the Village Council, charge the party requesting the same such sum as the Council shall establish for each parcel. The issuance of such certificate shall not create any liability upon the part of the Village or the Village Treasurer, except that in the event of fraud on the part of the Village Treasurer in the issuance thereof he or she shall be liable therefor.

(Amended 3-11-02)

Franklin, MI Code of Ordinances

Section 12. The Village Clerk, after the Council has determined the several amounts which it requires to be raised by general tax for the several funds of the Village, and the aggregate thereof, shall certify the same to the Village Treasurer. (Amended 3-12-62)

Section 4. The Council shall have the authority to determine and establish the grade of all highways, streets, alleys, sidewalks, and public grounds within the Village, and may change any established grades whenever in its opinion the public convenience will be promoted thereby. Whenever any such established grade is changed, however, and an adjoining property owner had previously made improvements in conformity with the established grade, such property owner shall be compensated for all damages reasonably resulting from the change in grade, and the damages shall be paid by the Village and shall not be assessed against property owners benefiting from the change in grade.

Section 5. The Council shall not have the power to construct any new sidewalks in residential areas.
