LOCATION _____

PLEASE CHECK THOSE AREAS FOR HOMEOWNER'S PERMIT:

- BUILDING ELECTRICAL MECHANICAL PLUMBING

As the legal owner of the single family residence located at the above-referenced address, and which is or will be upon completion my place of residence and no part of which would be used for rental or commercial purposes, I hereby make application for a Homeowner's Permit.

I certify that I am familiar with the provisions of the applicable ordinances, codes and rules governing the type of installation and hereby agree to make that installation in conformance to those ordinances, codes and rules.

I being issued a permit acknowledge and assume the full responsibility of a licensed contractor for the installation of the work listed on the permit and for all equipment operation pertaining to the work listed.

I agree to keep all parts of the installation / work exposed until such installation / work has been reviewed and approved by the inspector in compliance with all ordinances, codes and rules. I further agree to notify the Building Department within seventy-two (72) hours after the work is completed so that all required inspections are performed.

I further agree to correct, within ten (10) days, any violations on the work performed and to provide access to the premises during regular business hours for any and all necessary inspections. Failure to correct violations or to provide access will subject the permit to cancellation, at which time a licensed contractor must be employed by the homeowner to complete the work listed on the permit.
